

Oracy Skills Progression Document

Early Learning Goals

Communication and Language ELG:

Listening, Attention and Understanding Children at the expected level of development will:

- Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions.
- Make comments about what they have heard and ask questions to clarify their understanding.
- Hold conversation when engaged in back-and-forth exchanges with their teacher and peers.

Speaking Children at the expected level of development will:

- Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary.
- Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate.
- Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.

National Curriculum

Speaking and Language

Pupils should be taught to:

- listen and respond appropriately to adults and their peers.
- ask relevant questions to extend their understanding and knowledge.
- use relevant strategies to build their vocabulary.
- articulate and justify answers, arguments and opinions.
- give well-structured descriptions, explanations and narratives for different purposes, including for expressing feelings.
- maintain attention and participate actively in collaborative conversations, staying on topic and initiating and responding to comments.
- use spoken language to develop understanding through speculating, hypothesising, imagining and exploring ideas.
- speak audibly and fluently with an increasing command of Standard English.
- participate in discussions, presentations, performances, role play, improvisations and debates.
- gain, maintain and monitor the interest of the listener(s).
- consider and evaluate different viewpoints, attending to and building on the contributions of others.
- select and use appropriate registers for effective communication.
