

Hello,

It looks as though the sun has finally got its hat on and the 'Frozen Friday' has been a huge success with the first week being a sell out!

A reminder that children should be wearing **plain black shoes** for part of their uniform. In assembly, we discussed uniform and how it is important in creating a sense of belonging and for us to know that we are part of the Knighton Mead family. Thank you for your support with this.

On Monday, I led an assembly around the upcoming General Election. The following websites provide information that I said I would share with families. [Who Can I Vote For?](#) [Democracy Classroom](#)

Hughenden Class (Year 4) have enjoyed spending time at Lancaster Academy this week as part of Lancaster's STEM week. They made a range of items including very useful Tote bags.

Richmond Class (Year 3) had an exciting enrichment session this week when they learned lots about King Richard III. They enjoyed dressing up and handling a range of artefacts.

Last night, The Mead Educational Trust held their annual awards ceremony. This is an opportunity for us to celebrate the excellence in pupils across the Trust from Years 6-11 and staff over the trust. We are very proud of our Primary Site Manager, James Harrald who was a finalist in the Character award and Kacper Pilarski who was a runner up in the Challenge award. They both are fantastic members of the Knighton Mead family and represented us wonderfully.

Have a great weekend and see you next week.  
Miss Rebecca Smith.

## Character muscle of the week

### Reasoning:

To think, talk, and write about things in a logical, sensible way. This may involve seeing other points of view.
