

Hello,

This week, we have been reflecting on the term so far. It has been a very busy term filled with lots of learning and lots of exciting enrichment opportunities. Highlights of these have been CLS workshops about WWI and the Romans, Parable Arts workshops about the Good Samaritan and craft afternoons run by the Friends of Knighton Mead. Remember to log on to Tapestry to find out all about your child's learning. You can also share what you have been doing at home too!

**Flu Vaccine:**

On Tuesday 29<sup>th</sup> October we will be having flu vaccinations for Reception to Year 6 children, please scroll down to find out how to give your consent for your child to have the vaccine if you wish.

Have a lovely break – I hope that you have the time to rest together and recharge as a family,

Miss Rebecca Smith.

Dear Parent / Carer,

### **Annual seasonal flu vaccination is now due**

All children from reception to year 11 are being offered a free flu vaccination in school, as part of the national vaccination programme. Flu can be an unpleasant illness and make some people seriously ill. The flu vaccination is **safe and effective**. It helps to protect against seasonal flu and serious related complications, such as bronchitis, ear infections and pneumonia. It will also help to prevent the spread of flu and protect others who are vulnerable. There are two different types of vaccine available:

#### **Nasal spray flu vaccine**

**This vaccine offers the best protection against flu.** It is given as a spray, squirted up each nostril. It's quick and painless.

For some children the nasal spray is not suitable for medical reasons. Our team will review the medical information submitted before offering the flu vaccine injection.

The nasal vaccine contains traces of a highly processed form of porcine gelatine.

#### **Flu vaccine injection**

The injection is given into the muscle in the upper arm, which may cause soreness.

This vaccine is offered as an alternative if the nasal spray is not suitable due to medical reasons. This vaccine does **not** contain porcine gelatine.

To find out more, visit: [tiny.cc/flu Vaccination](http://tiny.cc/flu Vaccination)

We will only give primary school aged children the flu vaccination if we have your consent. Please do this as soon as possible, using the instructions below. You only need to submit your decision **once**.
